Re: Longview Farm
Town of Newburgh

Dear Mr. Chairman:

On behalf of the owner, Longview Estate Development LLC, we wish to request an extension of the Resolution of Final Subdivision Approval for Longview Farm. We resubmitted final drawings to the Planning Board and have been working with Mr. Patrick Hines to finalize the engineer's estimates to establish bond amounts and the escrow.

Joseph Saffiotti of Saffiotti & Anderson, the owner's attorney, has been working with Mark Taylor, Town Board Counsel, to finalize the drainage district formation in order for the Town Board to act on it.

Thank you.

Very truly yours,

THOMAS M. DEPUY, PE/LS
